

Dear Mr & Mrs Somebody,

We are pleased to advise you that our Rose Suite has been booked for two nights of your choice, subject to availability, by Mr & Mrs Friend.

Our Rose Suite, as shown in the photograph, has a king size four-poster bed and an en suite bathroom with a whirlpool corner bath and shower. While watching television in your room or a DVD chosen from our library, you can relax with a cup of one of our selections of teas or coffees or a refreshment chilled in your personal fridge.

We can offer you a selection of our home made delicious cooking from our varied menu where you can spend the evening in the relaxed atmosphere of our cosy dining room. Alternatively, our village has two pubs both serving good food where we can make an advance booking for you if you so wish.

We are ideally placed close to Stratford and within easy distance of many quaint Cotswold villages.

We look forward to welcoming you to the tranquillity of Folly Farm Cottage.

Kind regards,

Bruce and Pam McFarlane  
Lindsey Martin
